

In Need of Prayer

3 John 1:2 ²Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.

In this verse John is praying not only for the believers to prosper spiritually but also physically. This verse stresses something that is not often taught among Christians. Not only does God want you to be spiritually doing well but He also wants you to be doing well physically. God cares about all of you, not just how you are doing spiritually.

God wants you to prosper in every way. He wants you to do well in all aspects of your life. So no matter what it is that you struggle with and no matter what you're going through, God wants to see you doing well. Whatever your need is today, whether it's something spiritually, physically, or in any other way, go to God. Get His help for all of life's challenges.
